*Emergency Department Physician*

**Saint Francis Healthcare**

*In memory of Mary Rita Gibney*

Dr. Sandra Gibney is an emergency room physician at St. Francis Hospital in Wilmington and serves on the board of the St. Francis Foundation. Among many philanthropic efforts, Dr. Gibney is passionate about causes that support animals, children, and addiction recovery.

Dr. Gibney is an esteemed athlete, having just been inducted into the University of Delaware Hall of Fame this year in recognition of her excellence in track and cross country. She still holds the number two all-time record for the 5,000 at an impressive 16:53.0.
